

... LusegreeBum [url= Edwardvem. - Reply. I think this is really the best answer. Thanks for the valuable comment. I don't know why you dislike Apple so much, but Apple just has great sales in my country. And they are really doing very well. I've seen a lot of conversations with their representatives, people who are big fans, and they all say that Apple is growing very strongly. Not only that, but people have a sense that Apple is really something for them. I would say that Apple is.
