We're introducing a brand new Look engine that delivers more realistic animations, reactions, clothing, hairstyles and more, with up to 45 times faster rendering than in its previous iterations. The fastest, most powerful game engine in history - Frostbite 3 - was first introduced at E3 2012 and was showcased in FIFA 13 and Battlefield 4. But that's when the next generation of graphics technology, Frostbite 3, was only in development. Four years later, Frostbite 3 is an industry-leading, all-encompassing game technology that can power all kinds of AAA games - and even the next gen consoles! Now it's the time to take it to the next level, by launching the most powerful Frostbite 3 graphics engine for football, in FIFA 22! Featuring all new game modes and ways to play, FIFA 22 will keep you coming back for more. CONTROLS The FIFA 22 Controller will be available for PlayStation 4 and Xbox One in North America in time for FIFA's launch. The universal USB-powered controller features three handles, a touchpad and a thumbstick. This game controller also has big buttons for quicker access to your favorites. FIFA 22 will support the six D-pad configurations of EA SPORTS FIFA 18 as well as the new cross-game Play & Charge D-pad. In the future, the FIFA GamePad will be released exclusively for PlayStation 4 and Xbox One. ABOUT FIFA In August 2005, Electronic Arts launched FIFA Football Club for the PlayStation 2, which was the world's first football video game to make real player likeness a reality. Since then, FIFA has sold over 110 million copies and continues to evolve into the world's most recognized and beloved sports video game franchise. ABOUT FIFA WORLD CLASS FIFA World Class is a youth movement that brings together over 70,000 young athletes, coaches, parents, clubs and universities - to help drive the game forward. Through the use of cutting-edge online technologies, innovative marketing strategies, and the strong brand of EA SPORTS, FIFA World Class is revolutionizing the game of soccer. A Message from Peter Moore We're thrilled to announce the next step in the history of the long-running FIFA series. The magic of match engine is driven by something more than looking
